Re: Proposed DNR State of Wisconsin Shooting Range located in the Town of Dekorra

Dear Property Owner,

This letter is to inform you that the State of Wisconsin Department of Natural Resources has plans to build a shooting range in Columbia County. Two potential sites are under consideration. One is in the Town of Dekorra. It is the DNR public hunting land located off of County Hwy V near the State Rest Area on the west side of the Interstate. The other is in the Town of Lowville near Mud Lake.

Citizens interested in learning more about this possible shooting range are encouraged to attend an Open House being held by the DNR on Thursday, April 3, 2014 from 5:00 – 8:00 p.m. at the Columbia County Law Enforcement Center, located at 711 E. Cook St., Portage, WI 53901.

The Town of Dekorra has also asked DNR representatives to give a presentation and answer questions at the Tuesday, April 8, 2014 Town Board Meeting at 6:30 p.m. located at W8460 Bilkie Rd., Poynette, WI 53955.

Respectfully Submitted,

Vicki L. Auck, Clerk  
Town of Dekorra
