1. The erection, construction, maintenance, cost of repair and/or removal of the pier is at applicant's expense. Applicant agrees to hold the Town harmless for any accident, injury or claim resulting from the use of pier, slips, lifts, boats or other water craft, or Town lands.
2. The applicant must have abutting owner riparian right to a pier permit. This is limited to the area of Town owned shoreline between the extension of the applicant's property lines across Town roads and/or lands into the water. If the extension of the property lines crosses other privately owned property before contacting the water there is no right.
3. The pier and associated elements shall be erected, constructed, maintained, repaired and removed in accordance with the specifications set forth in the most current versions of Wisconsin Administration Code Chapter NR 326, DNR Pier Planner and any other applicable statutes, rules and regulations.
4. No abutting owner will be permitted to install more than one pier on Town property. Maximum number of boats and seasonal shelters/lifts is two per pier except for joint piers which shall be two per applicant. See Ord 9.02(e). Boat shelters/lifts shall be connected to the shoreline by a pier. Each user of the joint pier shall make application and pay the application permit fee.
5. Any permit issued pursuant to this ordinance may not be assigned or transferred without the prior express written consent of the Town.
6. The person to whom the pier permit is issued shall cause to be posted at a conspicuous place on the pier a sign absolutely prohibiting any diving from the pier on the pier and on each shelter/lift the permittee's fire number.
7. The issuance of the permit shall allow storage of the pier and boatlifts on the Town property during the period of the year when such personal property is not in the water. Storage of boats, personal watercraft, trailers, accessories, unused vehicles and other personal property **IS PROHIBITED. ALL PERSONAL PROPERTY MUST BE A MINIMUM OF 8 (eight) FEET OFF THE EDGE OF THE PAVED ROADWAY.**

**TERM OF PERMIT AND REMOVAL DATE OF PIER:**

Any permit issued shall expire on January 31 of the year after issuance. Piers and lifts must be removed by November 30th. I hereby certify that all information submitted is true and accurate to the best of my knowledge and understanding.
